

REMARKS

Reconsideration is respectfully requested in view of the foregoing amendments and the remarks which follow.

By this Amendment claims 35, 37, 41 and 42 have been amended and such amendments are fully supported in the as-filed specification.

The claims presently pending before the Examiner are 35, 37 and 39-42, inclusive.

Claims 35, 37 and 39-42 stand rejected under 35 USC § 112, second paragraph, as being indefinite.

Claims 35, 37, 41 and 42 have been amended to insert the transitional phrase “comprising”.

Claim 35 has been amended to recite the method steps “producing”, “producing” and “directing”.

It is respectfully submitted that the amendments to the claims serve to overcome the 35 USC § 112, second paragraph, rejection and withdrawal of such rejection is respectfully solicited.

Applicants note that claim 35, and dependent claims thereof, would be allowable, according to the Examiner, if they were rewritten or amended to overcome the rejection under 35 USC § 112, second paragraph.

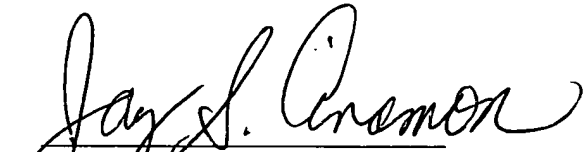

It is respectfully submitted that claims 35 and dependent claims 37, 39, 40, 41 and 42 are now in condition for allowance and a Notice to that effect is respectfully solicited.

Please charge any fees which may be due and which have not been submitted
herewith to our Deposit Account No. 01-0035.

Respectfully submitted,

ABELMAN, FRAYNE & SCHWAB
